Profile :

Currently I'm 3rd year student of KNUTD (2021-2023). I would love to test something out of box! I'm very intrested in testing, currently I'm setting my goals high and I would love to work with people that has same intrests and goals as me. I'm seeking for new knowlage and skills. Ready to learn and gain new experience to improve myselft in testing.

Experience :

I don't have any commercial experience in this field yet, but I'm willing to learn and gain new skills.

Skills :

- ''Teamplayer'' (I'm working for result not for ego)
- Quick-learning person
- Easygoing person (calm and focused)
- Easy to work with mobile devices
- Attentive and responsible
- Able to find relevant information quickly on the internet

Languages :

- Ukranian (native language)
- Russian (native(-ish) language)
- English Intermediate

Education :

Kyiv National University of Technologies and Design
Web-Design and site development
